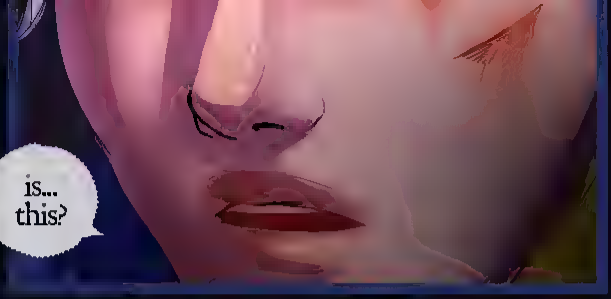
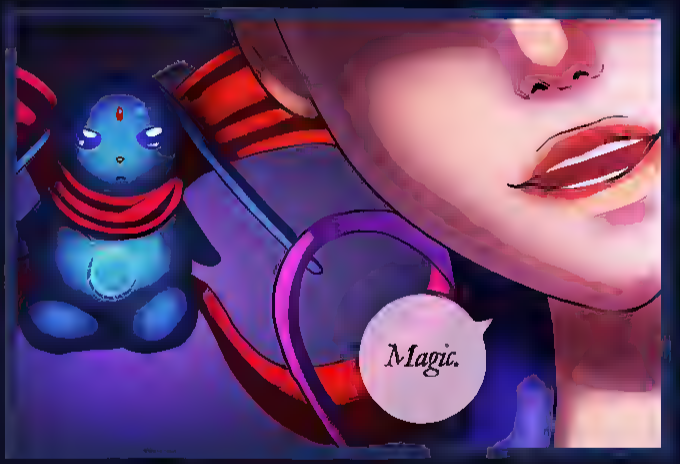
HELIOS:FEMINA

A Symphony of Light

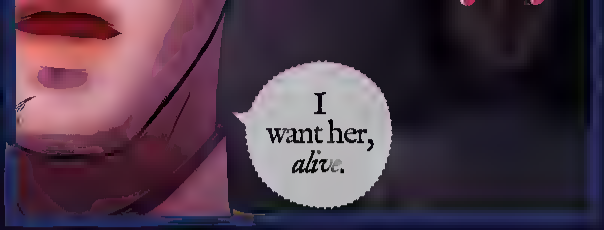
Mira.
What...



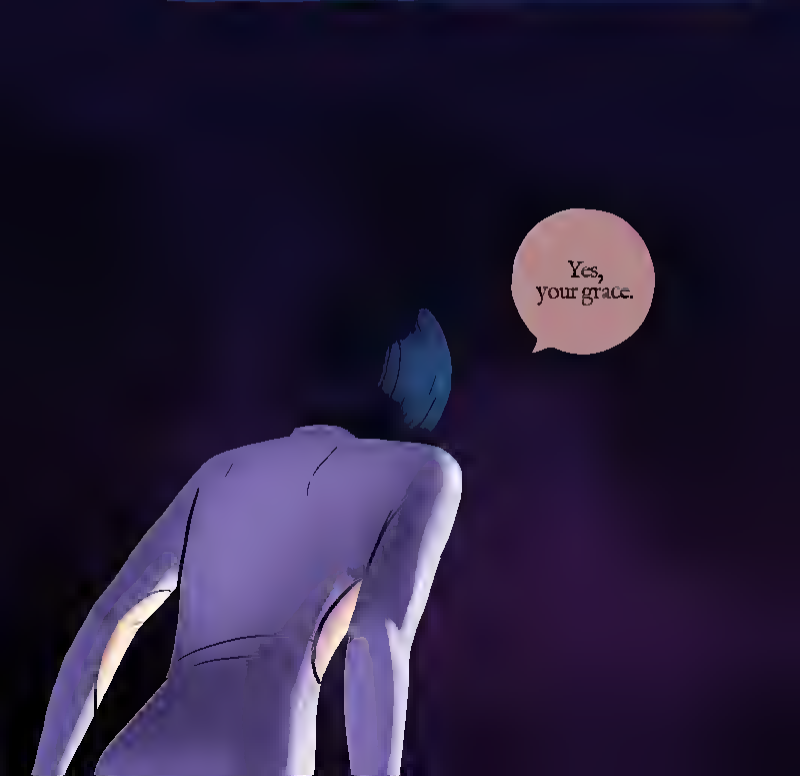
is...
this?



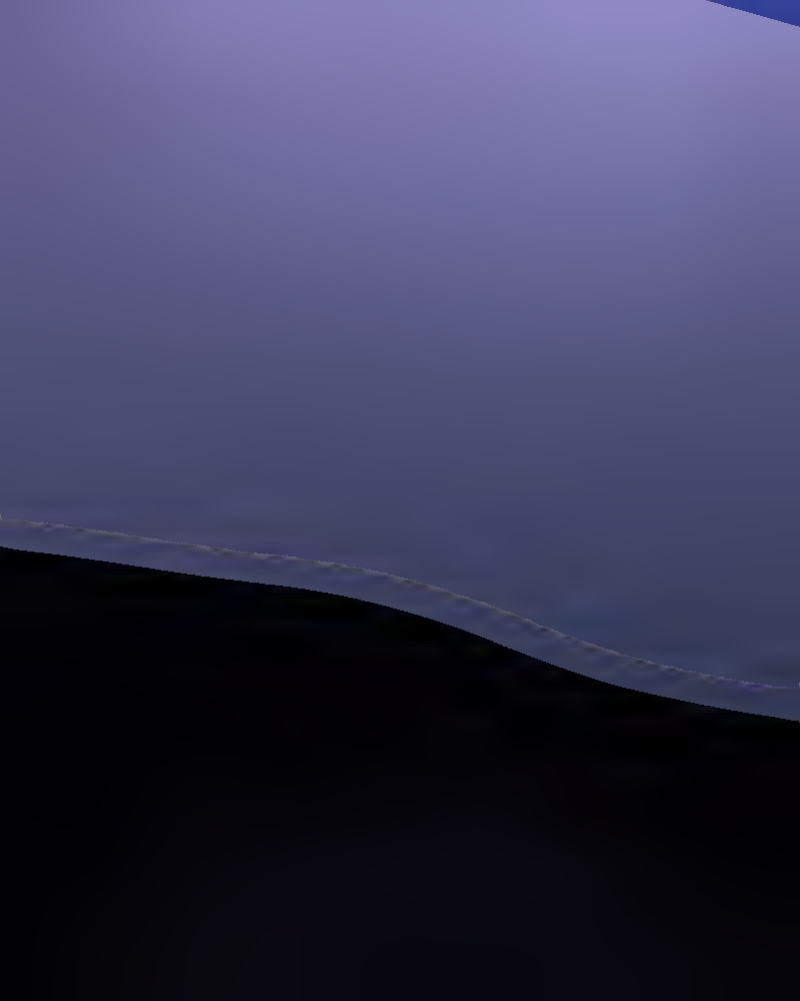
Magic.



I want her, *alive*.

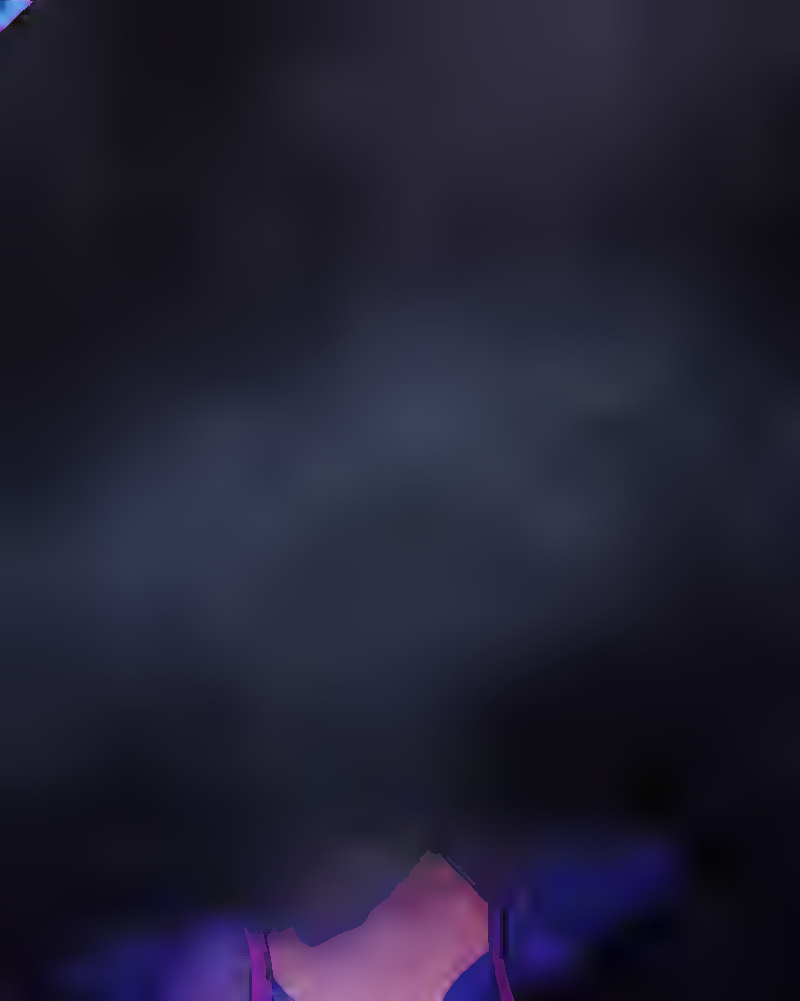


Yes, your grace.

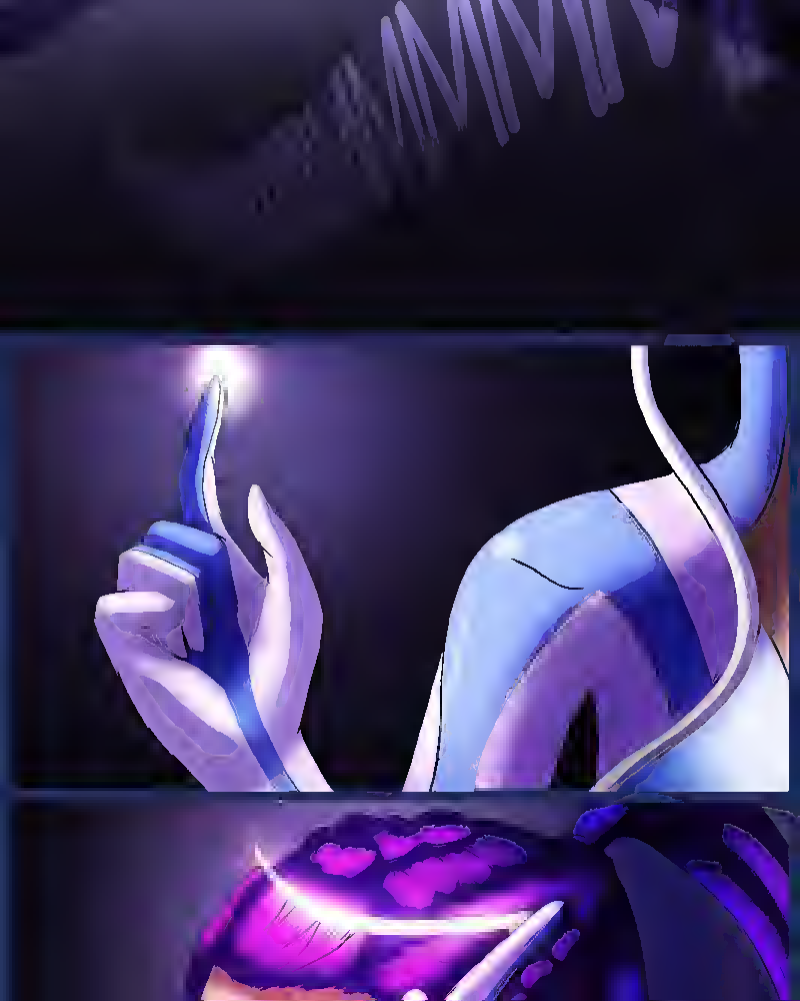


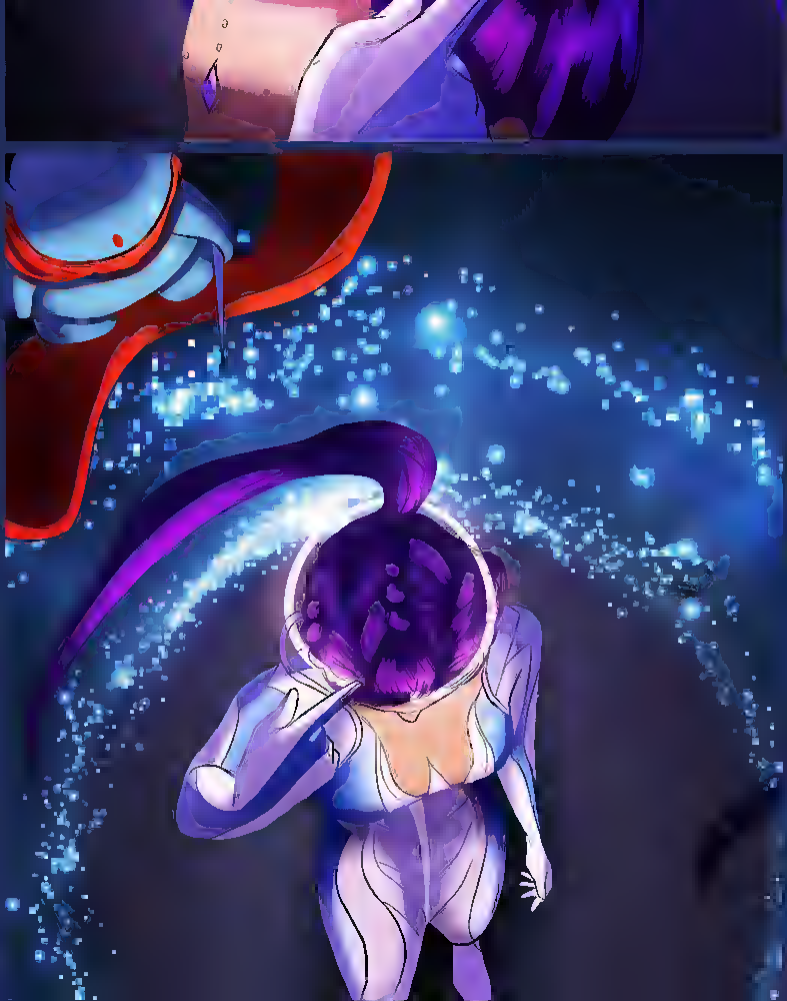
Rey, ready to boost your aura?

Light me up, Bebo.

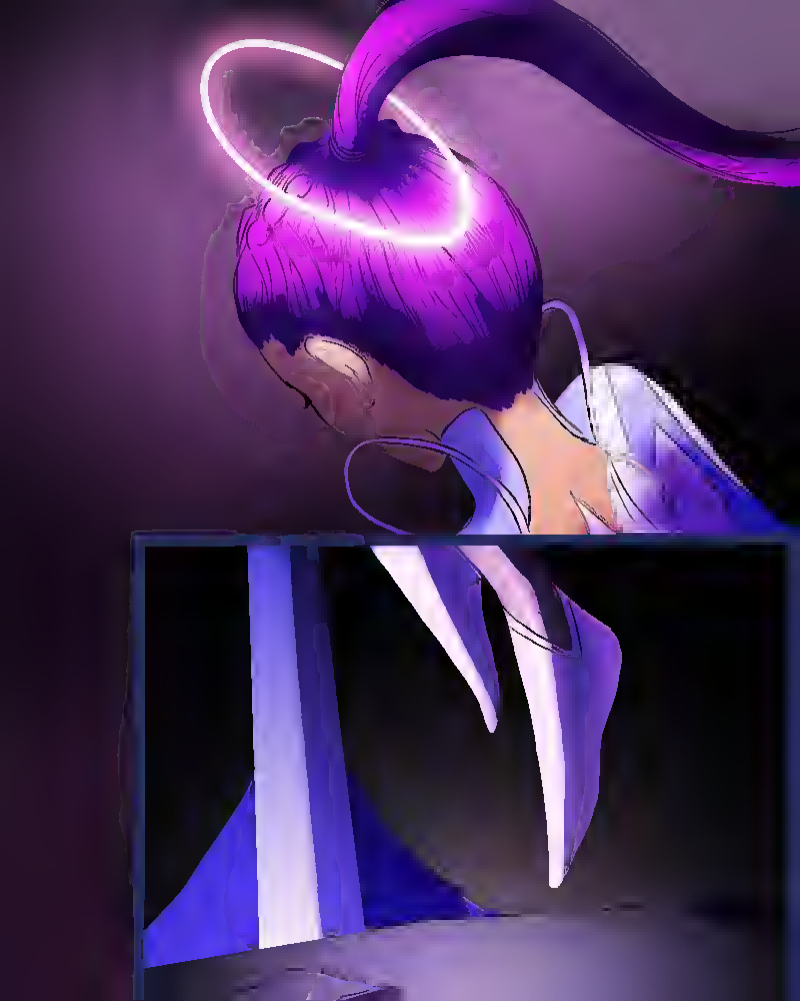


MMMMMM



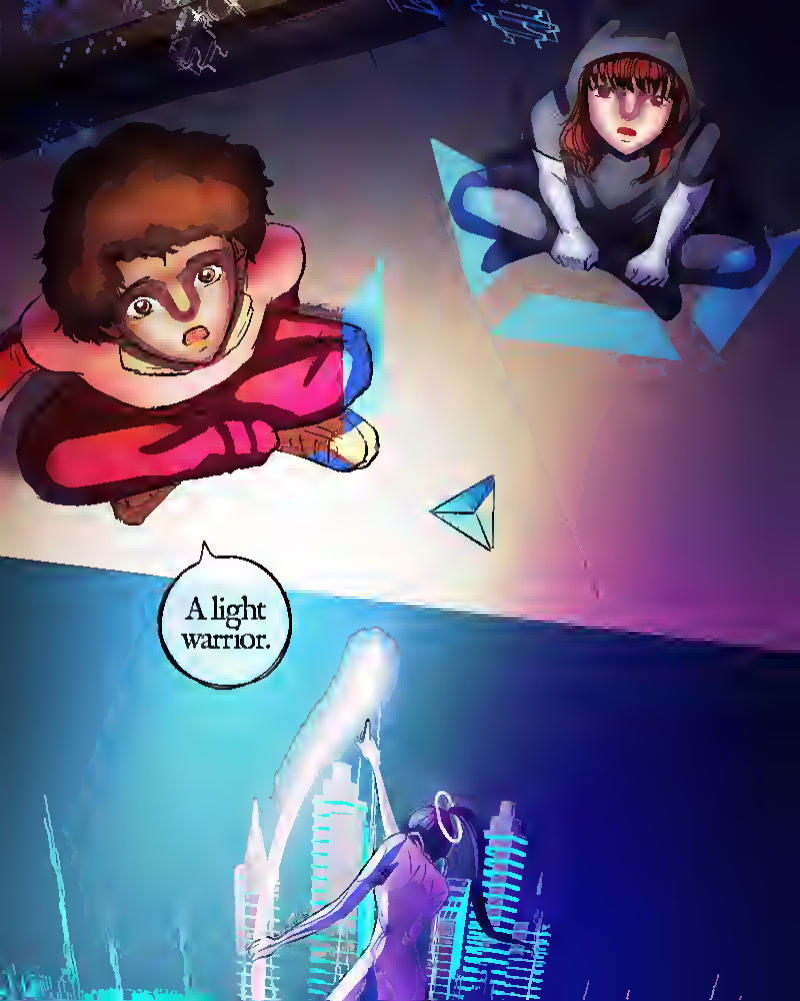


Impressive.

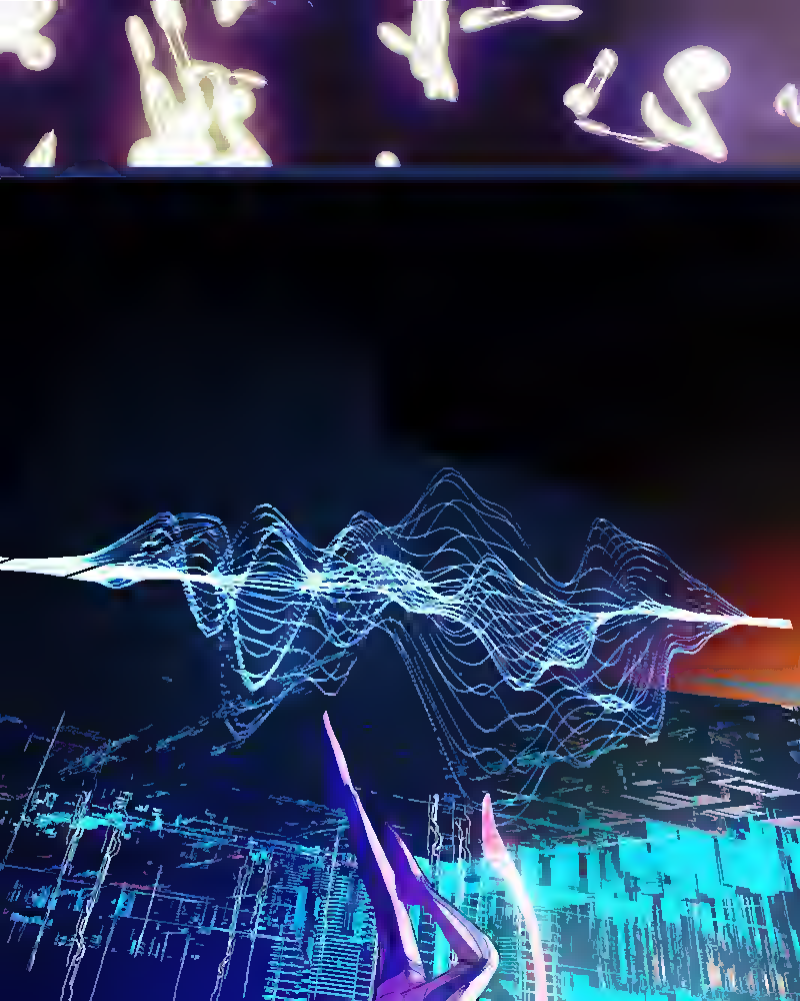


VRRRSHHHHHHHHHHHH
Ava, could this be liquid light?

Hmmm, possibly.
It appears as if Rhea's forging light with sound.



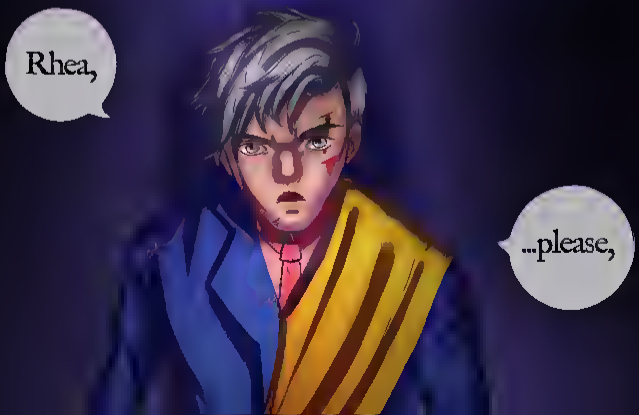
A light warrior.



Ava, we need to get Terra out of here.
It's just now getting good!

Tck.

Your grace, we must leave
It's dangerous
Wait.

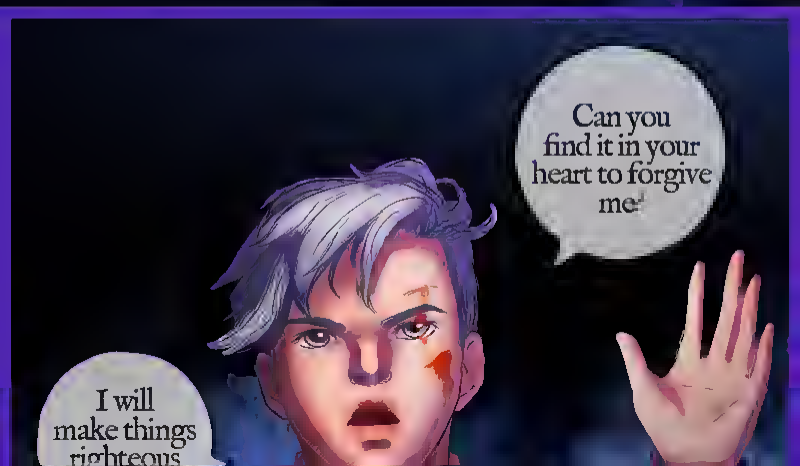


Rhea,
...please,

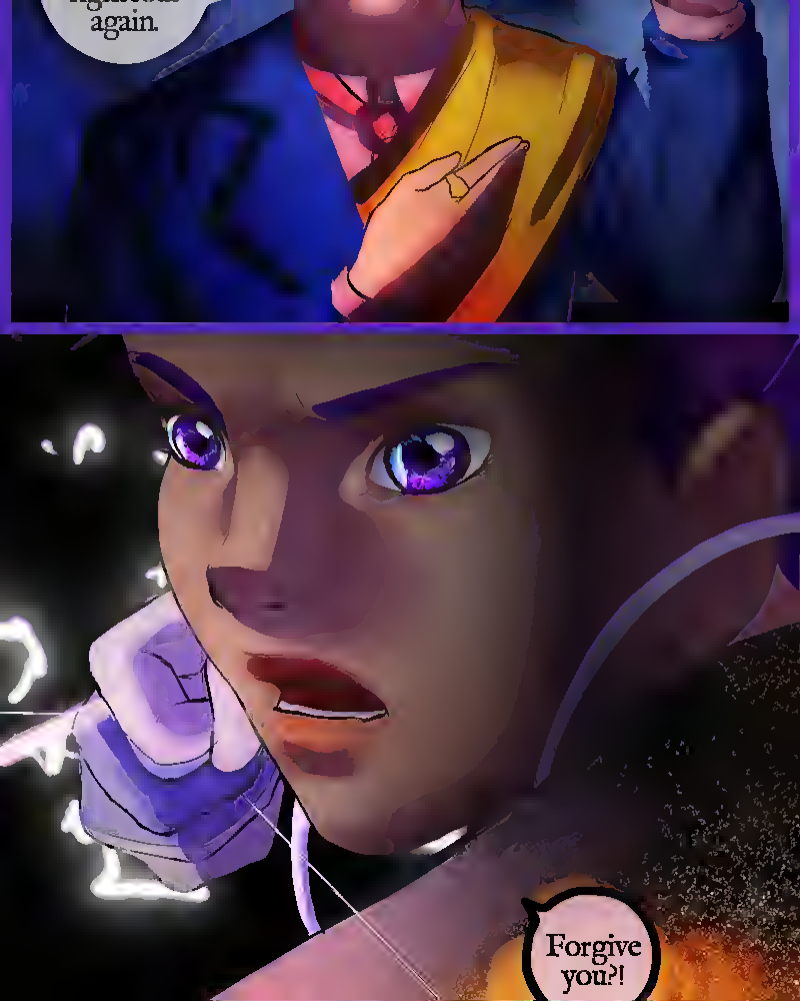
...hear me out.

I owe you my sincerest apologies.
...for my abrasive conduct towards you, and how I mistreated

your family.



Can you find it in your heart to forgive me?
I will make things righteous



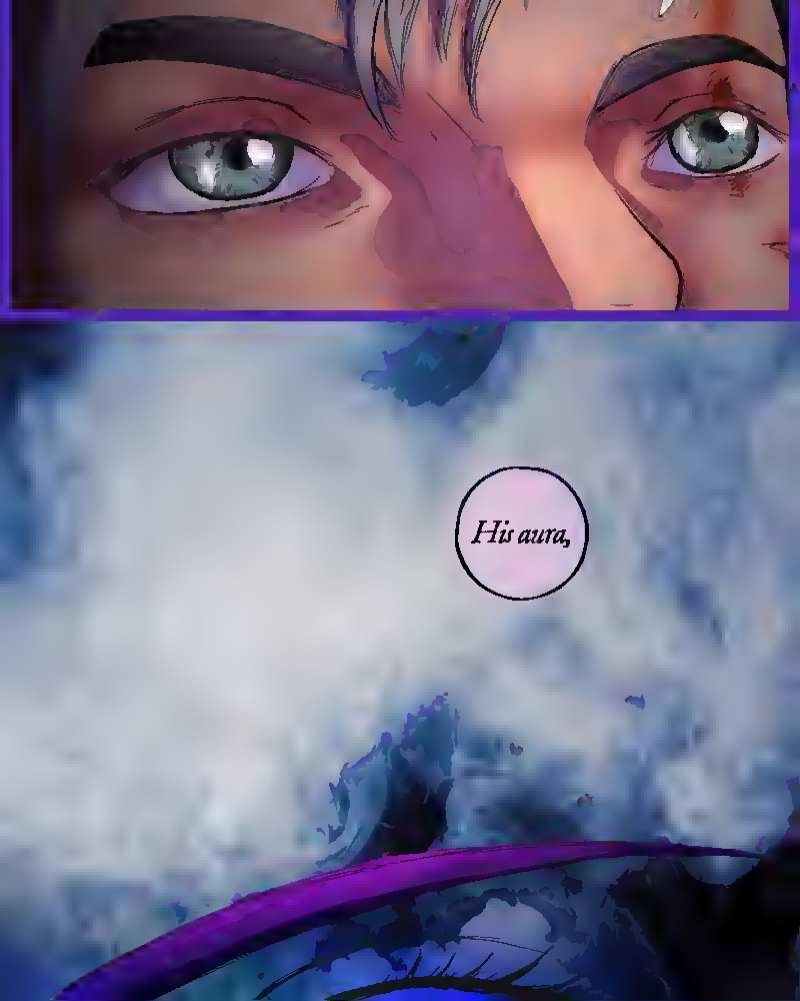
again.
Forgive you?!

You destroyed my home and took many innocent lives!

Jet *almost* died.
I merely issued the order to bring you back.
I apologize on behalf of Raven Core

for their crude methods.
LIAR!!!
You were there!

Rhea...
I can assure you I was not. I don't chase after my own prey



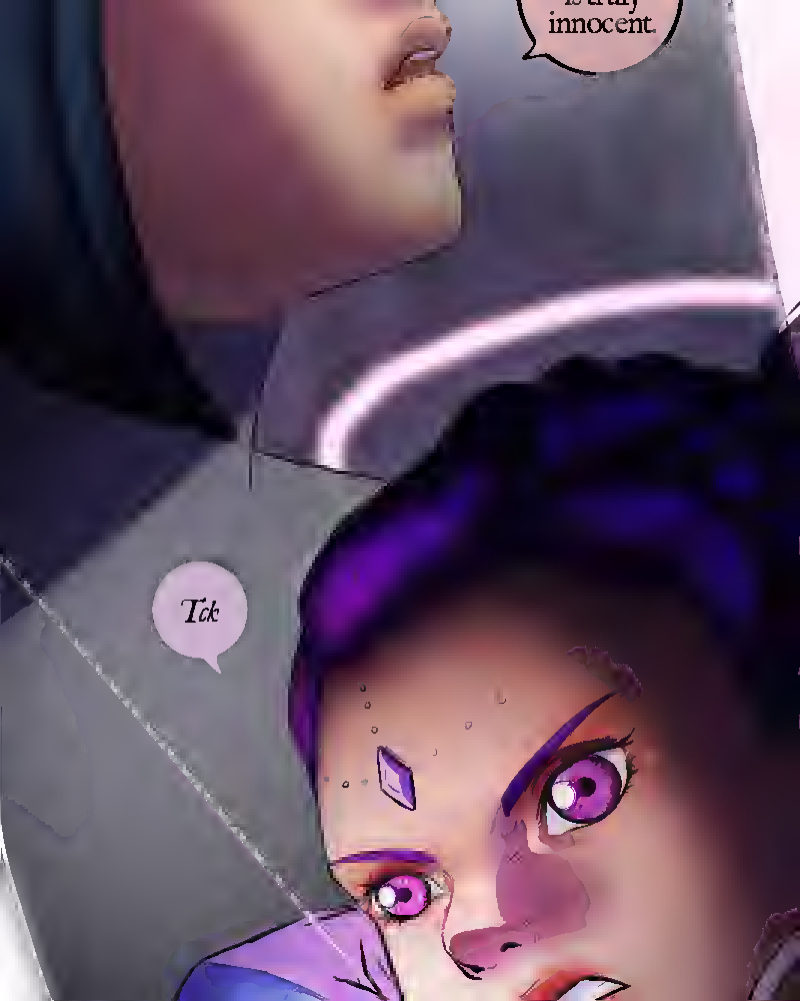
His aura,

...is glowing truthfully.

I don't understand,
...Bailey and Flo saw him there!

Stop!

I was the one who made the executive order to exterminate the compound.
His grace is truly



innocent.
Tck

Rhea,

...let us start anew.

Leave the past behind us.

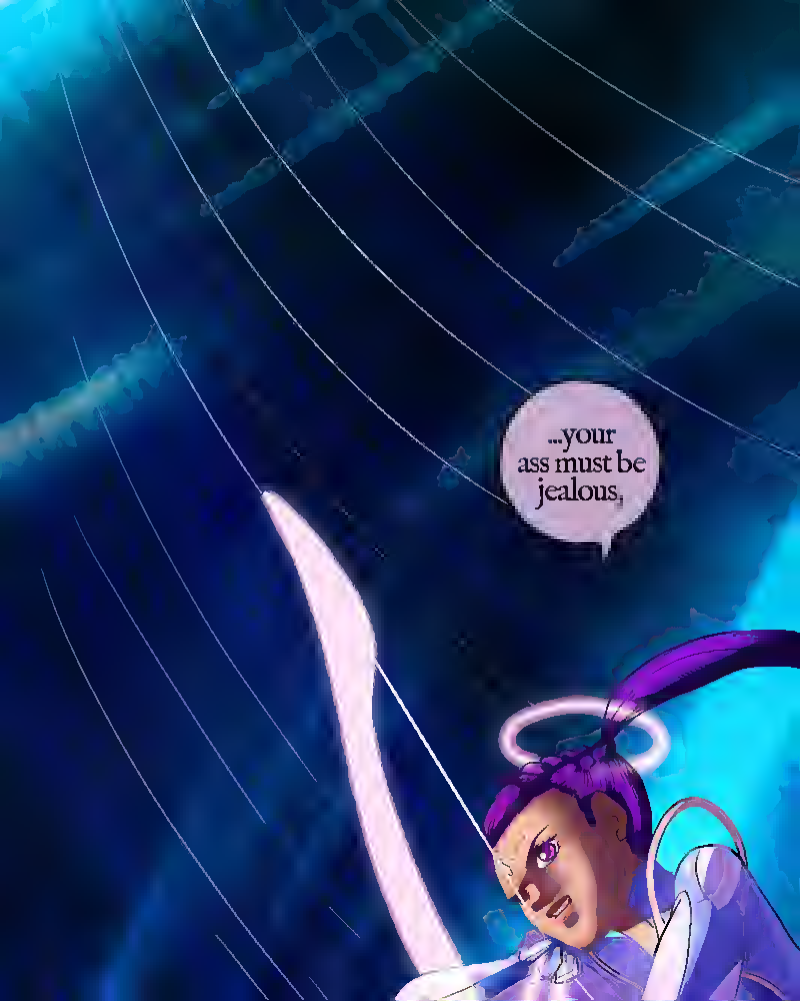
Think about our future, your family,
...your friends.
I will gift them their own Kingdom.

As they live amongst the stars, you and I will reign together, in the heavens.

Rhea, join me.

Think of what we can do, together.
Are you,
serious?

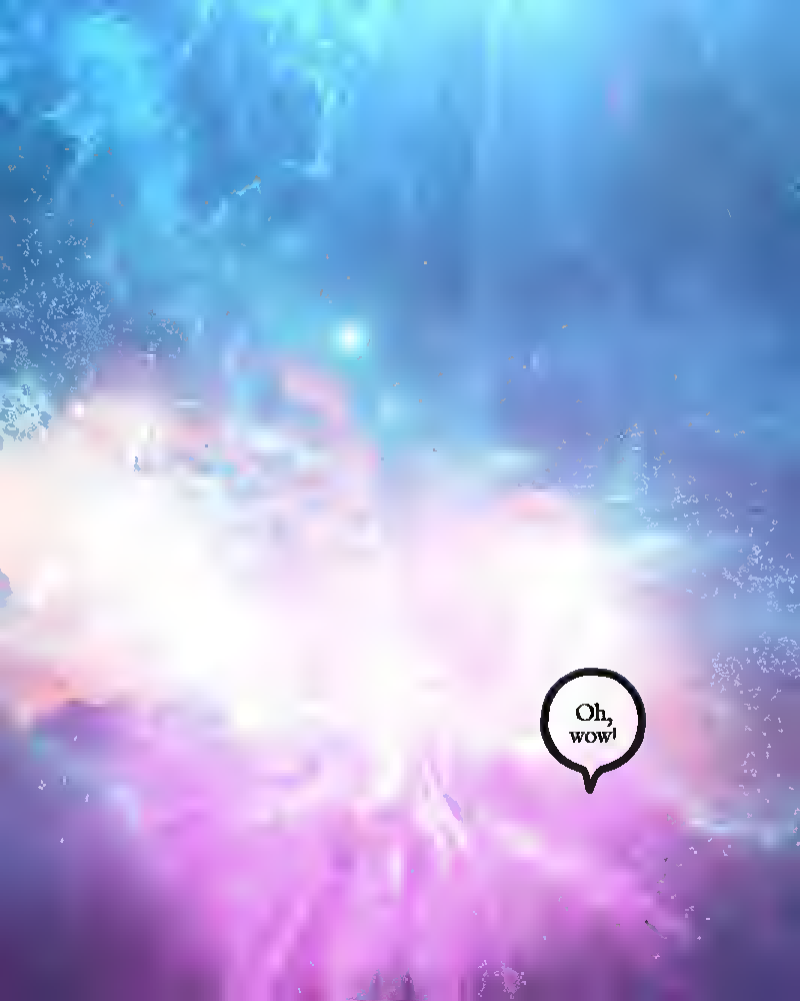
Wow,



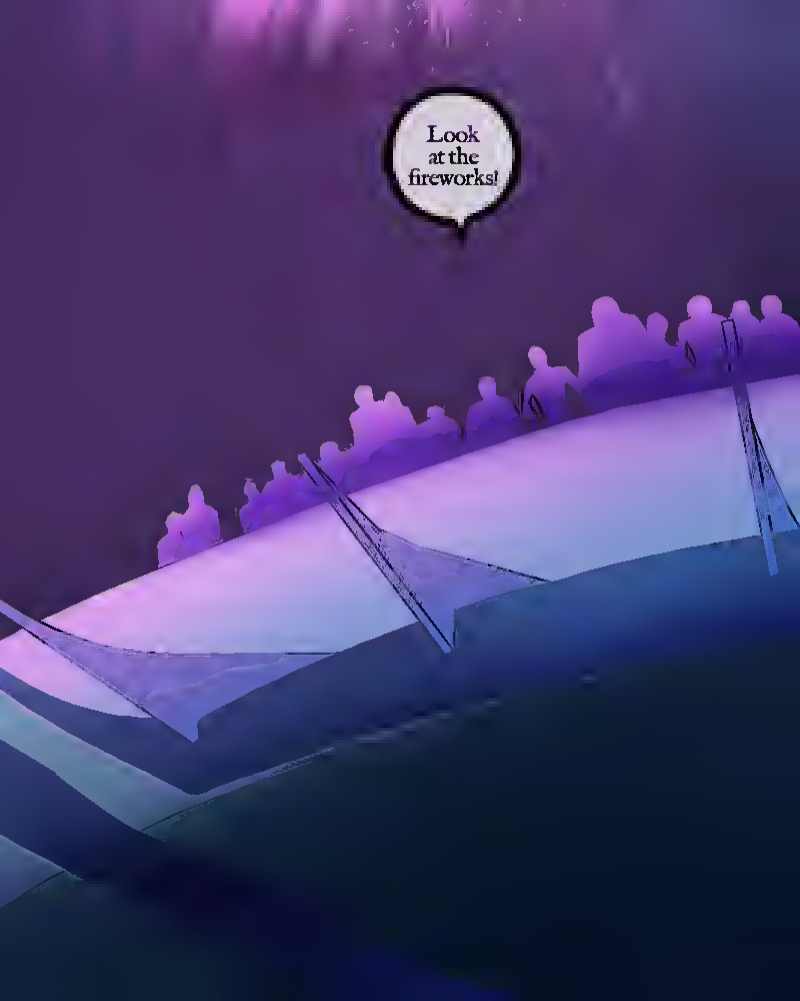
...your ass must be jealous.

...of all the shit that comes out of your mouth.

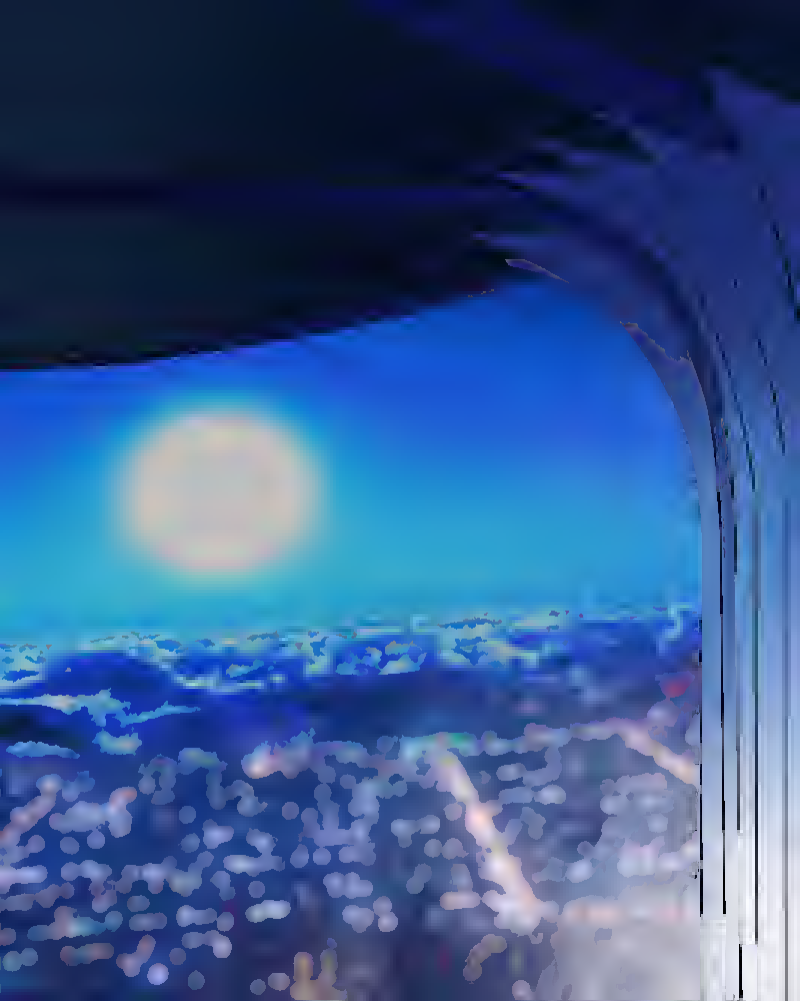
What are you doing?!
I think it would be wise to retreat, for now.



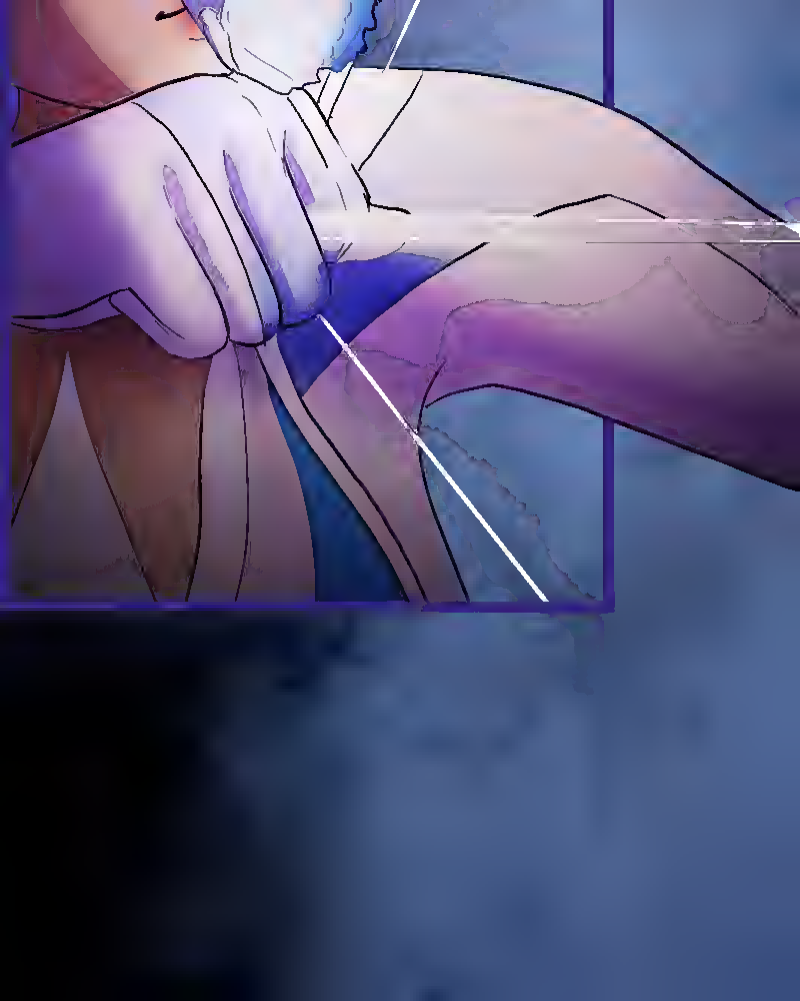
Oh, wow!



Look at the fireworks!

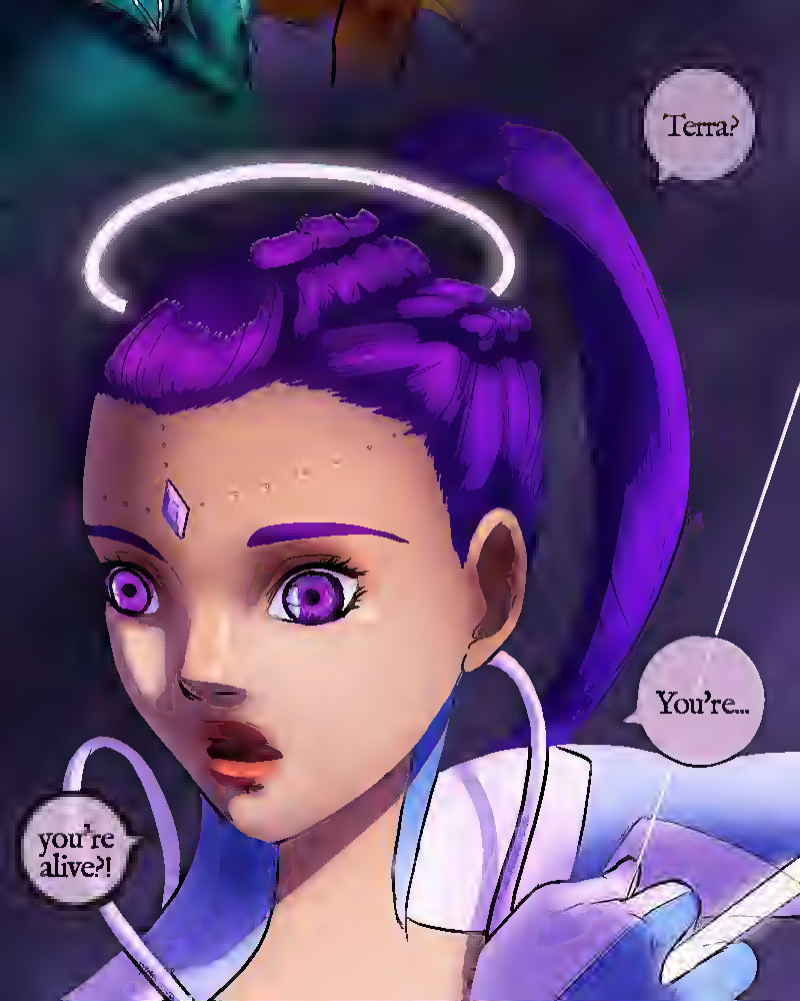


PULLS



Wow.

Rhea..



Terra?
You're...
you're alive?!

I told you, don't worry

Mom!

Get in everyone!

Go on ahead, I'll cover you!

Quickly, remove your eyeDs.

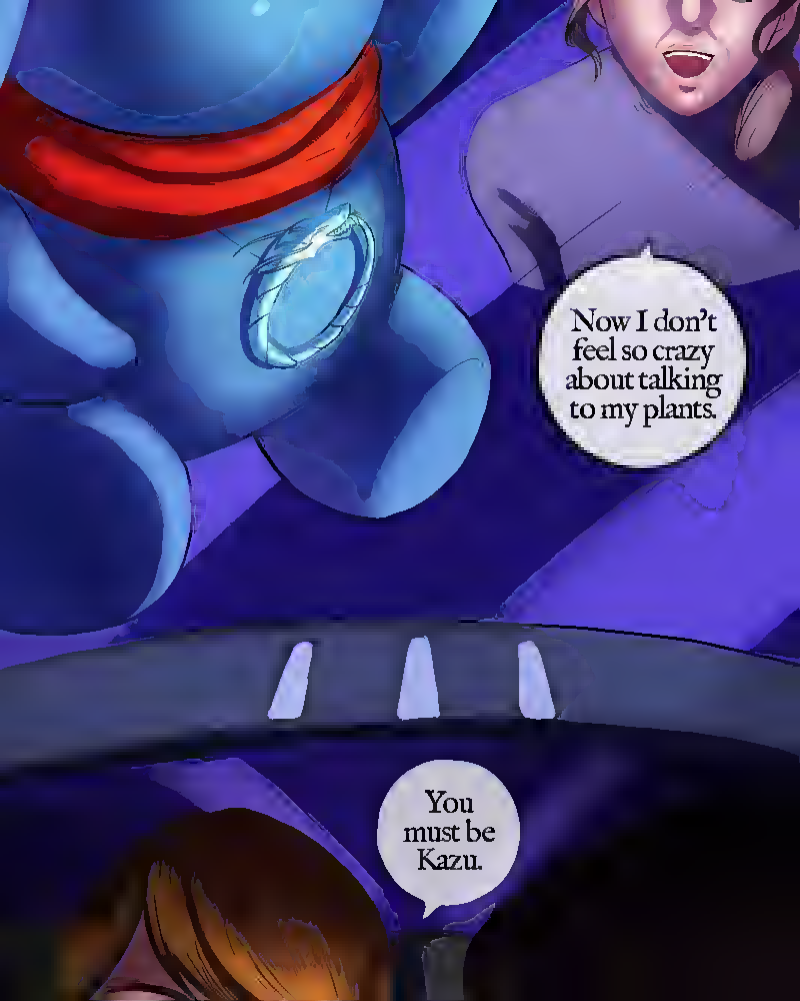
We don't want them tracking us.

Daddy look!
She's flying!

We did it.
Flo told me everything.
Terra, thank you for taking in Rhea and

the kids.
The honor is mine.

Well Rhea, one of your wishes finally came true!
Ahhh, there you are.



Now I don't feel so crazy about talking to my plants.
You must be Kazu.

I owe you my gratitude for protecting Rhea.
Ms Oribel...
I should be apologizing. I should have...

It's alright, love. The past is behind us.

Besides, you know what they say, right?
The best gift in life, is a second chance.

Ms. Oribel!
You're okay!

Flo, Bailey, Jet!
Thank God, you're all safe!

Kazu!
HAHAHA!

Terra!
Hey!
I told you we'd be back!

CATOR

SWOOP

Rhea!
Bebo!
Red!

Gosh...
I thought I'd never see you all again.

Rhea.
How are you?

I'm...
...I'm just glad to be back!

Are you hungry?

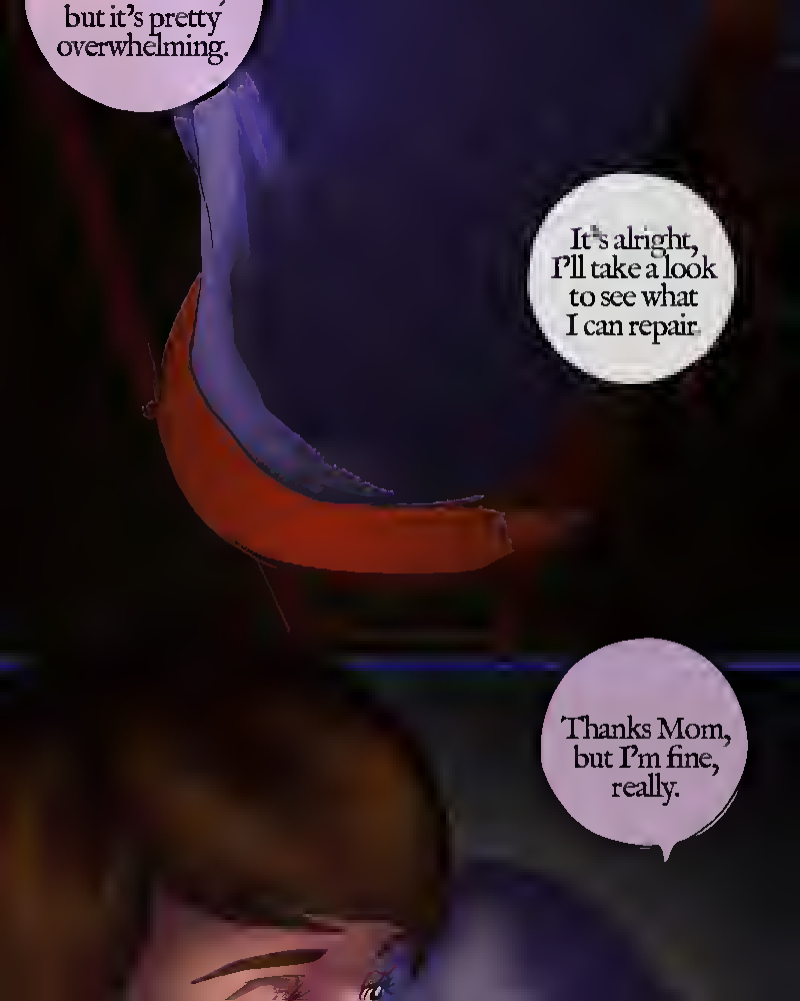
Bebo, you look naked without Red.
But I'm still very a-peeling.
WOMP WOMP

Wait till you feast your eyes on this grimoire!

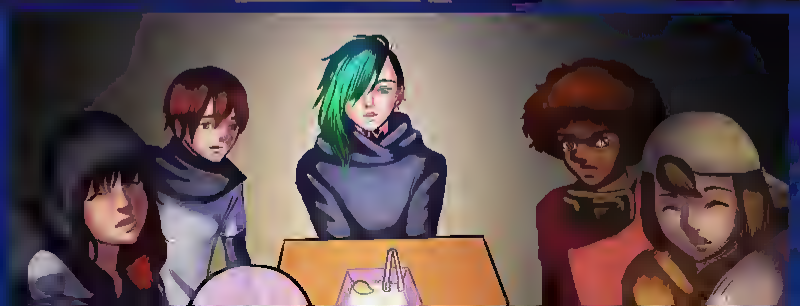
Rhea! Are you coming?

the look he gave me when the vines started crawling up his legs.
HAHAHA!
I have a screen cap of it!
HAHAHA!

Rey, can you see colors now?
Not now, only when my light-body is activated.
With it, I can see beyond normal colors.



but it's pretty overwhelming.
It's alright, I'll take a look to see what I can repair.
Thanks Mom, but I'm fine, really.



It just feels,
...surreal, to be back.
Rhea, can you tell us what happened?

We saw a bright flash.
Bebo's ouroboros amulet acted like a doorway,

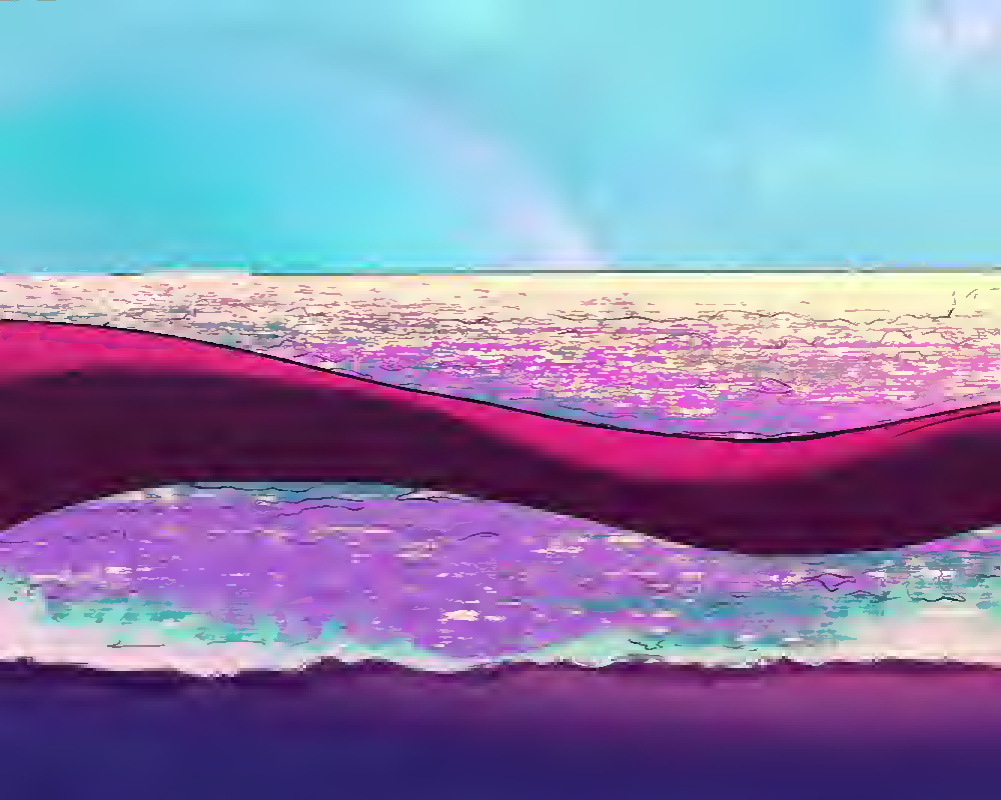
leading us
deep within my
subconscious.

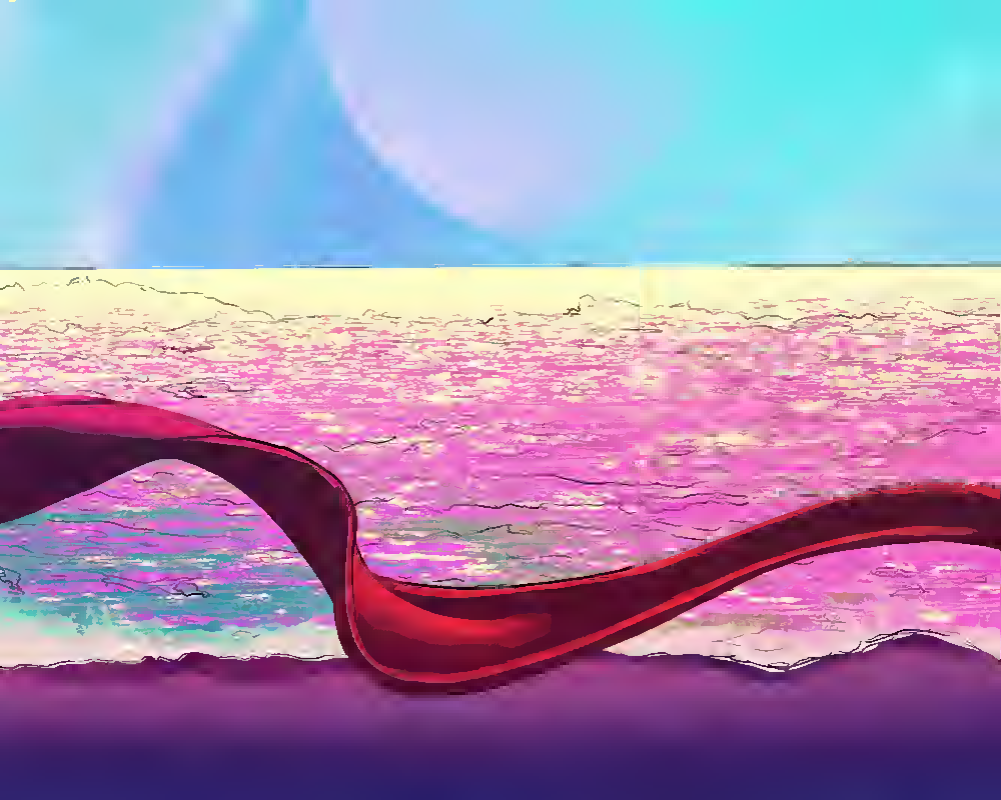
That's where my training took place.

To you, what
appeared like a
few seconds...

...felt like
a lifetime in
this world.

COUGH COUGH



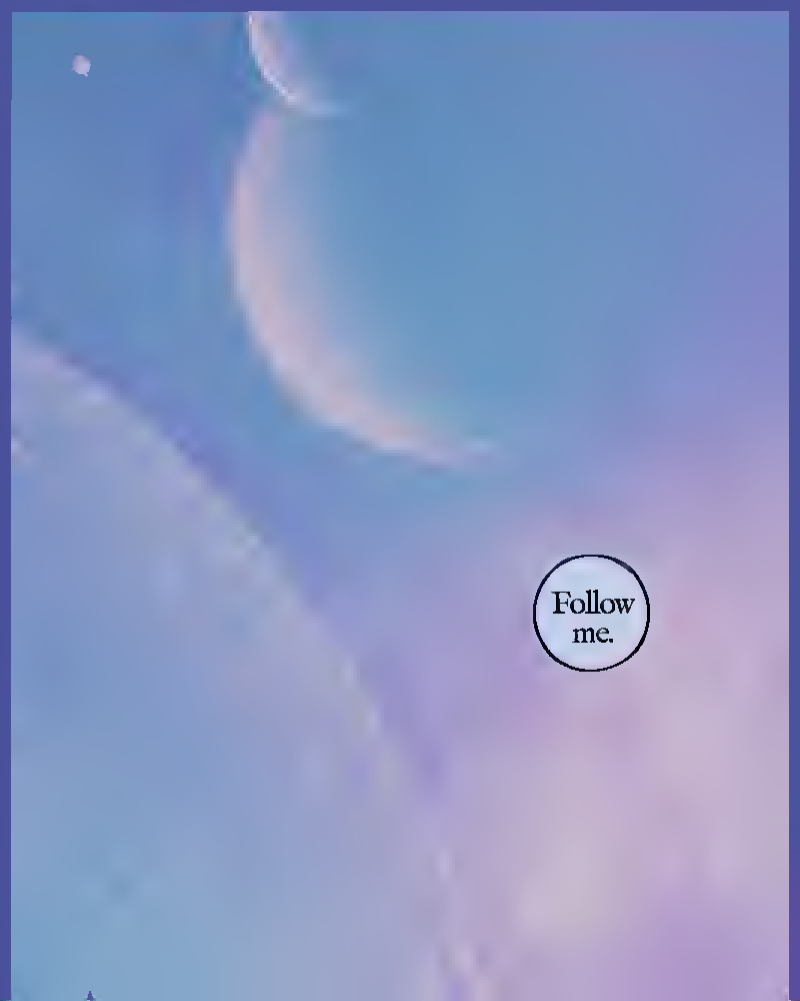


I can see colors here...
Bebo,

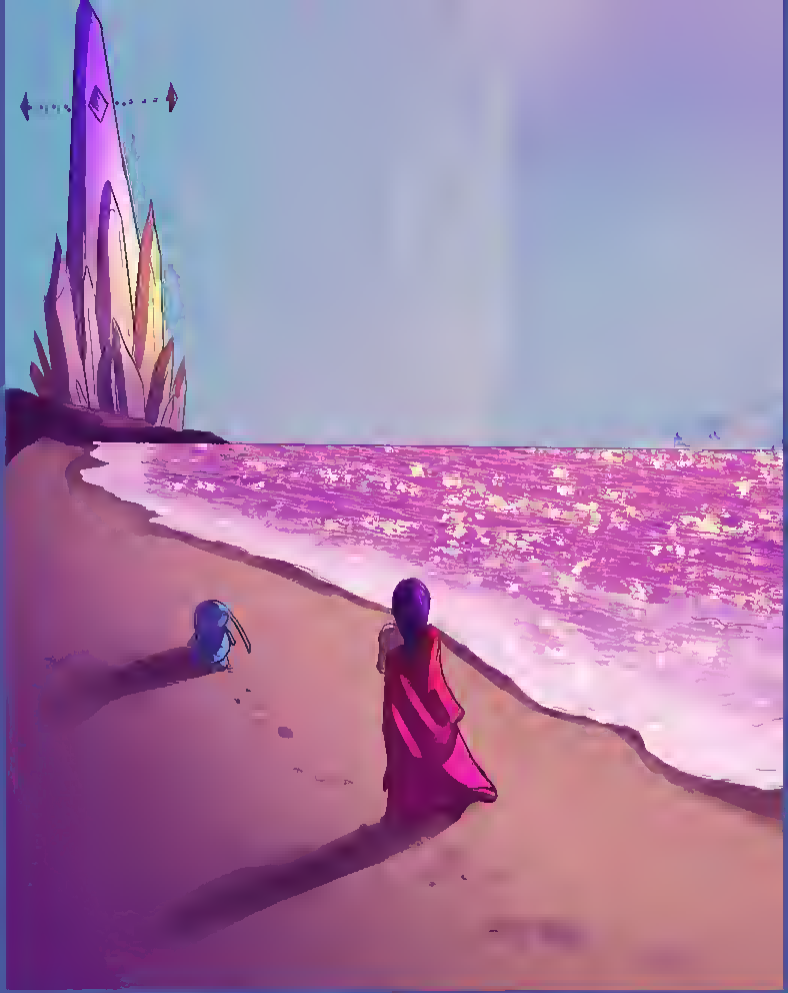
Are we on Zeru?

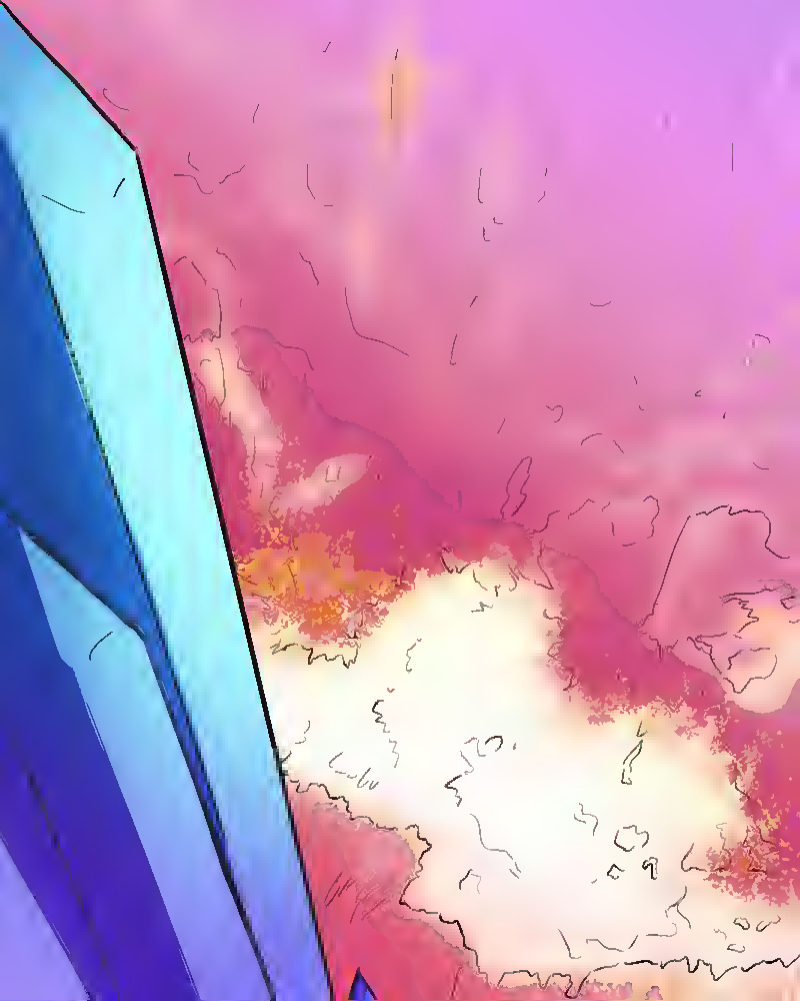
Sadly, no.
This, is only the surface of your subconscious.

We'll have to journey deeper in.



Follow
me.





I'm sorry about what happened earlier,
I...
Rhea,

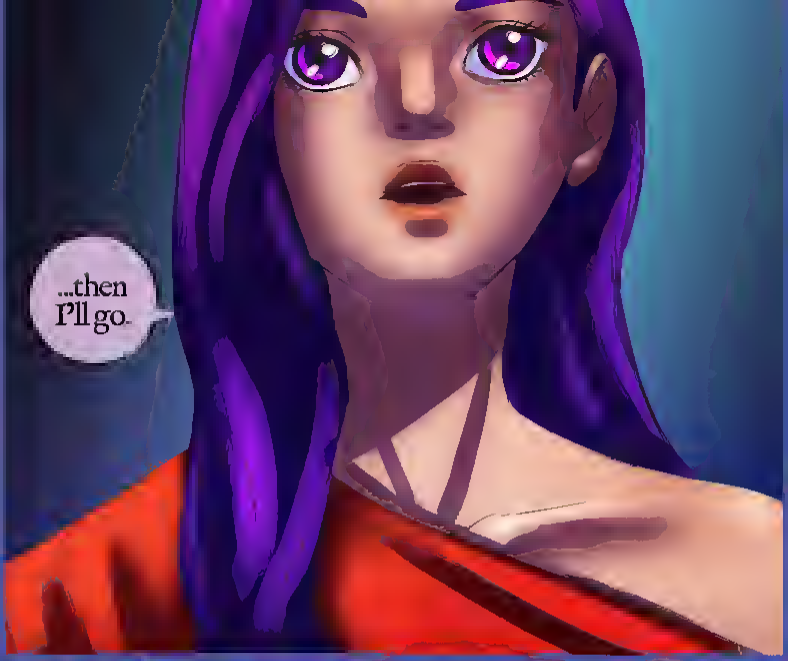
It's alright.

What happened was meant to happen.

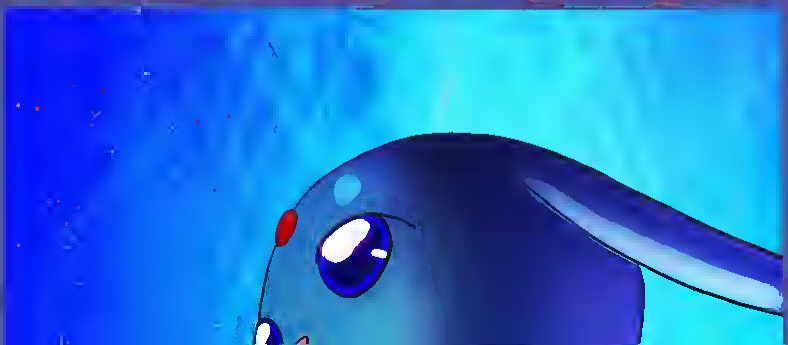
So what do we do now?
Like everything else in this universe, we wait...

...or
we go.

Alright,



...then
I'll go.



If light is a place,
then darkness is the way.
